

# MAHATMA GANDHI UNIVERSITY

(Abstract)

PhD Programme –Cancellation of defunct Ph.D Registration- Approved – orders issued.

## ACADEMIC AX SECTION

U O No.6322/AX/3/2016/Academic

Dated, Priyadarsini Hills. 26.11.2016

Read: 1 Minutes of the meeting of the Syndicate held on 05/11/2016, Item No. 150/16.09/162284.

### ORDER

A large number of research scholars who have got registration for Ph.D programme prior to July 2010 (before the implementation of UGC regulation 2009) are found to be in the list of research scholars maintained by the university. The maximum allowable research period including three extensions of one year each is 8 years for full time research scholars and 11 years for part time research scholars. University had earlier issued an order for cancelling the registration of those research scholars who had completed the maximum research period including extensions as on 31/05/2015. However, taking into account of the request of the research scholars who could not submit the theses before the said period, three more extensions of 6 months each were further given to them to complete the research work and submit theses.

Even after giving extensions and grace times as detailed above, many of the research scholars are found to have not availed the chances. Since these research scholars too are counted as having filled the valid vacancies under a guide, the admissions of fresh research scholars have been affected a lot. In order to clear the defunct registrations and to create vacancies under guides, the meeting of the Syndicate held on 05/11/2016 resolved, vide paper read above, to cancel the registration of those research scholars who have completed the maximum eligible period including three extensions and have not availed or applied for extension and grace period after 31/05/2015.

Orders are issued accordingly.
