ORDER

The University Order vide paper read (1) above was issued following the recommendation of the University Research Committee held on 27/11/2015 to delete the term 'recognised as equivalent' from proviso 4 of the revised regulation for the Ph.D programme 2010/12 and to incorporate the term 'recognised as eligible for higher studies' in its place.

The University Research Committee held on 08/03/2016 reconsidered the above recommendation observing that in order to apply for higher studies in the university only eligibility certificate is required and hence resolved to refer the matter to the Academic council with the recommendation that 'recognised as equivalent' by the University in proviso 4 of the revised regulation for the Ph.D programme 2010/12 may be changed as 'recognised as eligible by the University' in the case of Ph.D admission also. But if a candidate with post graduation from other recognised universities in disciplines not offered by M.G university. proposes to do research in a particular discipline at an approved research centre, such candidate may be insisted to have the degree 'recognised as equivalent' to that particular discipline of M.G.University vide paper read as (2) above.

The above recommendation of the URC was approved by the Hon'ble Vice-Chancellor on paper read (3) above, exercising the powers of the Academic Council under Section 3.10 (17) of Mahatma Gandhi University Act 1985.

Orders are issued accordingly.
